Skatelite® Company warrants to the owner of the original installation that its Skatelite® Surface material will be free from material defects for a lifetime. This warranty applies only to the original owner and is not transferable.

The obligation of Skatelite Company and its distributors is limited, at their option, to repair or replace material found to be defective and excludes shipping charges and costs of removal and reinstallation. This is a product only warranty, not a fabrication and/or installation warranty.

Skatelite Company makes no express or implied warranty, including the fitness for a particular purpose even if that purpose is known to Skatelite Company. It excludes implied warranty of merchantability. Skatelite Company shall assume no risk or liability for results obtained by the use of products covered by this warranty, whether used singly or in combination with other materials.

Laws and building safety codes governing the design, engineering and construction of installations vary widely. Skatelite Company assumes no responsibility or obligations with respect to the selection of product for the installation or the design, engineering and construction of the installation.

This warranty does not cover any conditions or damages resulting from accidents, alterations, misuse, abuse, acts of God, excessive humidity, excessive heat and temperature, fading, patina, or discoloration over time. Skatelite® surfaces are a paper-composite material and will patina over time. "Patina" is a natural occurrence in the product and Skatelite Company makes no express or implied warranty covering the extent of the patina in the Skatelite® surface. This warranty also does not cover any condition or damage resulting from removal of the product or reinstallation in the same or different application.

This warranty does not apply to conditions caused by normal wear and tear upon the product.

To obtain warranty service, contact Skatelite to submit a claim. We will work with you to promptly repair or replace any defective pieces. Warranty claims must be accompanied by proof of purchase, registration, as well as details regarding the nature of the problem, location of the product, etc.

This warranty is exclusive and in lieu of all other obligations, liabilities or warranties. **In no event shall Skatelite Company or its distributors be liable or responsible for incidental or consequential damages or for any other direct or indirect damage, loss, cost, expense or fee.** Some states do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion or limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
